PRAYER

REQUESTS & INTENTIONS

O God, in our global distress we pray earnestly to you.

God our Sanctuary, gather us when separated into your presence.

God our Physician, heal those who have contracted the virus.

God our Comforter, embrace all who mourn the dead.

God our Homeland, mother all who are quarantined.

God our Friend, accompany all who are alone or afraid.

God our Guardian, protect physicians and nurses.

God our Hope, assist researchers searching for a vaccine.

God our Mighty Fortress, preserve our societies from devastation.

God our Governor, guide the leaders of nations toward wise policies.

God of Everlasting Arms, in you we live and move and have our being.

God our Creator, make once again a world of sabbath rest.

God our Savior, redeem the suffering world by your cross.

God our Light, shine your radiant peace into our darkness.

O God, Father, Son, and Holy Spirit, bless and preserve us.

AMEN
